Day four. Time to explore Middle Earth with an optional activity day. Queenstown is the adventure capital of the World. If you're not ready to take a day off snow, hit the slopes for another day of snow time.

Day five and six. Welcome to the home of some of the best snowboarding on planet earth - Wanaka! In the evenings we'll take you to enjoy a soak at the local luxury hot springs resort, take in a movie at the eclectic Cinema Paradiso, savor the food at one of Wanaka's restaurants, and explore New Zealand's most famous lakeside community.

Day seven and eight. Optional Heli-day. Today enjoy long powder runs serviced by helicopter (a highly recommended extra).

Day nine. Today is a rest and travel day. We'll take a scenic drive North to the land of New Zealand's highest peak and the area where many scenes for 'Lord of The Rings' were filmed. Here we'll settle down in a rustic mountain lodge for the last part of our journey.
